SHILLELAGH

The Chris Waller-trained Savabeel mare Shillelagh opened her Australia win account in fine style in the Gr.3 Godolphin Crown (1300m) at Hawkesbury last Saturday.

Waller took over the training of the 5yo daughter of Savabeel late last year having previously campaigned for Matamata trainers Stephen Autridge and Jamie Richards.

A 4-time winner in New Zealand, Shillelagh won at Caulfield last October before finishing second to Artistry in the Hong Kong Jockey Club Stakes.

Ridden by Tye Angland, Shillelagh defeated heavily backed favourite Daysee Doom (Domesday) by three-quarters of a length with another one and a quarter lengths back to Godolphin's Kinshachi (Commands) in third.

"That was very good. She's got some turn of foot," Angland said.

Bred by Christopher and Susanna Grace, Shillelagh is a full sister to three winners including the Group II Brisbane Cup winner Tullamore, who placed in the Group I Caulfield Cup.

They are out of the winning Flying Spur mare Trocair a half-sister to Nautique (Pins) a dual Gr.3 winner in North America.

In winning, Shillelagh became the 18th individual stakes winner this season and 63rd stakes winner overall for Waikato Stud's Champion sire Savabeel.

-Breednet

Sweet Leader (O'Reilly), the Lance O'Sullivan & Andrew Scott-trained winner of last Saturday's Cambridge Breeders' Stakes (Gr 3, 1200m) at Te Rapa, is stakes winner number 86 for his sire who died at Waikato Stud in 2015. The 3YO colt finished powerfully to defeat the fillies Honey Rider (Pins) and Flamingo (Pins) and looks capable of further stakes success.

A big colt, very similar in type to his father, Sweet Leader may eventually find a place at stud to continue the O'Reilly (Last Tycoon) legacy which has played a big part in New Zealand breeding in the first two decades of the 21st century. O'Reilly's influence in a relatively short time is exceptional.

He was champion New Zealand sire four times (2007/08, 2011/12, 2012/13 and 2013/14), won four Centaine Awards, has also had great results with his progeny in Australia and has become increasingly important as a broodmare sire. Daughters of O'Reilly have to date have produced 56 stakes winners, among them 13 Group One winners including the 2017 ATC Australian Derby (Gr 1, 2400m) winner Jon Snow (Ifraaj) and three by Savabeel (Zabeel) who followed him at Waikato Stud.

It is still too early to assess O'Reilly's contribution as a sire-of-sires although his champion son Alamosa, standing at Well-field Stud in New Zealand, has made a good start to his stud career while Group One-winning sons Sacred Falls (Waikato Stud, New Zealand) and Shamexpress (Windsor Park Stud, New Zealand) are yet to have runners.

As a racehorse O'Reilly was trained by Dave O'Sullivan and was New Zealand's Horse of the Year and champion sprinter of the 1996/97 season, his major wins coming in the Telegraph Handicap (Gr 1, 1200m) and the Levin Bayer Classic (Gr 1, 1600m). He also showed his racing class in Australia when second to Mouawad (Zabeel) in the 1997 Australian Guineas (Gr 1, 1600m).

SWEET LEADER

The owners and breeders of last Saturday's impressive Gr.3 Cambridge Breeders' Stakes (1200m) winner Sweet Leader have lofty ambitions.

The Hong Kong-based quartet of Silas Yang, Alan Ho, Alvin Wong and Y T Cheung bred and race the O'Reilly colt and have their sights set firmly on international glory. Partners at PriceWaterhouseCoopers in Hong Kong, the quartet's goal is to breed and race an international topline.

The Lance O'Sullivan and Andrew Scott-trained colt has won three of his five career starts and returned from a throat operation with a scintillating last-to-first victory last weekend.

His Hong Kong owners have enjoyed previous international success with the trailblazing Rich Tapestry, purchased for them by Apollo Ng, who acts as their breeding and racing consultant. The Hong Kong-trained son of Holy Roman Emperor was the first Hong Kong horse to win at the highest level in the US – on dirt, no less – in the Santa Anita Sprint Championship.

"But now, instead of running up against the big guns at yearling sales, they are trying breeding instead," Ng said.

Ng purchased Sweet Leader's dam, the Encosta de Lago mare Sweet Lady, as a yearling.

Sweet Lady's first foal by O'Reilly was Swift Lady who, from John Sargent's stable has amassed stake earnings of \$103,125 from four wins up to 2000m.

Her second foal, also by O'Reilly, named Sweet Shamrock has won three of 11 starts for Toby Edmonds. Sweet Lady also has daughters by fellow Waikato Stud stallions Pins and Ocean Park which are yet to race.

Ng said the appeal of the Waikato Stud domiciled stallions was simple to explain.

"It's the toughness and good temperament of the Last Tycoon-sired O'Reilly and the Snippets sired- Pins," he said.

"These two sire lines are renowned to produce champions in Hong Kong and Asia."

BLACK-TYPE SPOTLIGHT

AEROVELOCITY

The curtain comes down on the brilliant racing career of Hong Kong's champion sprinter Aerovelocity (Pins) this weekend.

The Paul O'Sullivan trained speedster is to make his last race day appearance in the Gr.1 Chairman's Sprint Prize at Sha Tin on Sunday, provided he proves his fitness to Hong Kong stewards.

Dubbed the ultimate Hong Kong warrior by his trainer, Aerovelocity earned a shot at a final top-flight prize with a recent runner-up finish in a 1200 metre trial.

"He's not as good as he once was, he's rising nine years old, but he trialled well enough and we think he can go to the races and acquit himself well," trainer Paul O'Sullivan said of the five-time Gr.1 winner.

A son of Pins, Aerovelocity's CV features Group One wins in the Takamatsunomiya Kinen, the KrisFlyer International Sprint, the Hong Kong Sprint (twice) and the Centenary Sprint Cup.

Aerovelocity has drawn barrier 10 in Sunday's 12 horse field.

WE GAVE PAUL O'SULLIVAN A QUICK CALL EARLIER THIS WEEK TO ASK HIM A FEW QUESTIONS ABOUT AEROVELOCITY...

How will you recall Aerovelocity?
He is the bravest horse I have ever put a saddle on.
He's been a terrific horse and has been raced by a very clever guy, who let him be raced sparingly in order to achieve the best possible results.

What stands out to you as Aerovelocity's best win?

Probably the Gr.1 Chukyo Takamatsunomiya Kinen win in Japan. The race has been an International sprint for 16 years and no foreign horse had ever won it before him.

What are some of his quirks?
He's very excitable before work and before his races, but once the gate opens he's an absolute professional. He's also a bit of a loner.

SIXTY SECONDS

WITH CHAMPION TRAINER,
PAUL O'SULLIVAN

OCCUPATION TITLE	Trainer
BEST HORSES INVOLVED WITH?	Mr Tiz and Horlicks are the best two gallopers and Aerovelocity is the bravest.
GREATEST THRILL IN RACING?	Horlick's Japan Cup and Aerovelocity's Chukyo Takamatsunomiya Kinen win. I've been very lucky.
HOW DID YOU GET INVOLVED IN RACING?	Mum made Dad give me a job.
WHAT WOULD YOU DO IF YOU WEREN'T DOING WHAT YOU DO NOW?	Pushing a wheelbarrow.
WHAT ARE YOU PASSIONATE ABOUT?	Planting trees and entertaining the fairer sex.
WHAT ARE SOME OF YOUR GREATEST PERSONAL ACHIEVEMENTS AS A TRAINER?	<p>One of the best achievements was Vinaka winning the 2004 Gr.1 Railway Hcp. The horse had his problems and his owner/trainer Jim Gibbs asked me for some of the modern ways of dealing with them. Five minutes later Jim turned up with the horse to train. About two months later we won the race. It was a long term plan that we took day-by-day and it came off.</p> <p>Winning the Hong Kong Derby with Vital King - he wasn't that good.</p> <p>In 2004 just before going to Hong Kong, I took Falkirk and Vouvray to Australia. In one day, Falkirk won the Gr.2 QTC Cup (1200m) and Vouvray won the Gr.1 Queensland Oaks (2400m). As I was walking off the track, I ran into John Hawkes. He asked me when I was going to Hong Kong, so I told him in a week or so. He responded in good humour 'Good, F off'.</p>
WHAT IS ONE OF YOUR PERSONAL PHILOSOPHIES?	Colin Jillings once said to me 'Never let them know it's hurting son.' I can still hear him say it. It basically means when things are going badly, keep your head up and keep going.
NAME THREE PEOPLE YOU WOULD ENJOY INVITING TO DINNER?	Outside of the immediate family, Robbie Hewetson, Stu Laing and cousin Glen Scott.
WHO WAS YOUR NUMBER ONE CHILDHOOD HERO?	Sid Going.
WHAT DO YOU DO TO RELAX?	I like a BBQ.
WHAT IS THE BEST BOOK YOU HAVE READ?	Fortune Cookie by Bryce Courteney...well anything by Bryce really, they are fantastic reads.
WHERE IS THE BEST PLACE YOU HAVE TRAVELED TO?	Most places in Europe or Canada. If you are a tree person, British Columbia in Canada is just heaven.
FAVOURITE THING ABOUT WAIKATO STUD?	My nephews and niece.
WHO WOULD PLAY YOU IN A MOVIE?	If I beefed up a bit, Danny DeVito.
WHAT IS YOUR FAVOURITE MOVIE?	Fury starring Brad Pitt.
WHAT WOULD PEOPLE BE SURPRISED TO KNOW ABOUT YOU?	I'm a devout Catholic and go to Church every Sunday. With my lifestyle, I'm taking a punt that the dear Lord has a sense of humour.

CORNER

I was going to have a week off; you know what it's like, you don't want to spend your life always questioning all the things that effect you. It becomes tiring and boring, so I will try to forget my concerns this week...Yeah right!

We have a new Minister of Racing, outside of cabinet. Will we notice the change, hardly, we have just had one inside cabinet, and we all know the progress under his direction. But a lot of you have expectations that are unreasonable. The Minister has very limited authority, his only opportunity to influence our industry is his involvement in the selection of our Board. Even then the independents are supposed to have the support of our code chairpersons. This is why I constantly say we have no one to blame but ourselves if we are unhappy with the composition of the Board. Sounds easy!

Quite clearly it is not that simple, so what's wrong? I believe a governance driven by people with absolutely no Racing background - a requirement of the Act (by virtue of having to be independent) is stupid. There is no other commercial activity that would contemplate such direction.

Rogie was at Matamata on Wednesday. He assures me his upcoming meeting with our Chairperson will resolve all difficulties. I would love to be a fly on the wall. In fact, if word got out on when or if this meeting were to take place, they would need a can of fly spray to cope with the likely swarm in every corner.

The Tall Poppy Fishing contest was in a strong southerly on Monday. This did not deter the numbers, nor the fish caught. This contest was the brainchild of Gerald and Rex Fell (they stood Pakistan you know). We had, many years ago, a meeting of the South of Taupo breeders and North of Taupo breeders on two chartered boats. These were great occasions with one or two lucky to survive. No such trouble now, as we no longer camp and barbeque on the beach for the night. You can imagine the result!

So to Monday, we didn't venture out of Kinloch in our boat, which we were delighted to have skippered by Wayne Pike. Under his guidance, we came home early with nine very nice conditioned trout as evidenced in the photo. The Tall Poppy trophy, awarded to the best fish caught, is once again back where it should be...in my house at Kinloch with the winning team of Rob Andrewes (pictured), Wayne Pike and Doug Hay engraved in black ink. Rob made the effort to fly from the Gold Coast, which is pretty special but not quite as special as Wayne, as he starts another round of chemo this week. We

wish him all the best with this.

Tivaci arrived early Wednesday morning. There will be enough said about him elsewhere, but suffice for me to say Mark and Chris- who initially inspected the horse- presented us with all you could wish for in a sire prospect, so well done to them. I certainly hope he is, or my 10 per cent, which at my age the epitome of optimism, could be wasted. It takes five years to make a stallion, so I may not miss the money.

Cheers, Garry.

P.S. The Labour Party spokesman on racing thinks it is very unlikely Race Fields Legislation will be passed this year. We better hope he is wrong or the Advance will look shaky. I dunno!

Our 2017 NZB Weanling Sale draft - which you can see above resting earlier this morning - made their way to Karaka today. They will start parading Saturday at 9 am, with our Broodmare consignment following suit the same time on Monday.

We breed from a large broodmare band. We produce a lot of foals. We start presenting for sale as Weanlings, Yearlings, Ready To Run 2YO's and as Tried Horses. We use every avenue of marketing horses, and your first opportunity comes about on Monday at Karaka.

This season alone WS graduates of the NZB Weanling Sale have included the Gr.2 winner and Gr.1 placed galloper Mackintosh, the Macau Gr.1 Guineas winner River Treasure and the Listed winner Showemup. This Sale is a wonderful opportunity to access horses that can be resold or grown out and raced at this early stage of their life.

It's been another great week at the farm. On Monday it was terrific to get everyone together in a relaxed environment for the Tall Poppy Fishing competition. Then on Wednesday at 6:30 am, Tivaci walked off the float. I absolutely love these occasions, and are overwhelmed by the horse and very proud of him. Please give us a ring and come and have a look at him, amongst the others.

Nice to see Shillelagh get the Group win she deserved last Saturday and plenty more in store here I would say. Cobby, I hope you have a great weekend this weekend in the maimai!

Mark.

Will have improved from her last run. It's a good field for the Oaks but she has drawn well and has Craig Williams on board.
