RHYTHM TO SPARE

PINS 5YO tackles Gr.1 VRC Emirates Stakes [1600m]

PINS will look for his **6th** individual Gr.1 miler when his Mike Moroney-trained son **Rhythm To Spare** lines up in the **Gr.1 Emirates Stakes [1600m]** at Flemington on Saturday.

Half of the talented 5YO gelding's six career wins have come at the mile distance, with black-type distinction counted amongst this by way of May's **Gr.3 SAJC RA Lee Stakes**.

If successful, **Rhythm To Spare** will become **Pins'** **11th** individual **Gr.1** winner and will join **Gr.1 miler** ranks with the sire's outstanding progeny **Katie Lee**, **Econsul**, **Ambitious Dragon**, **Porotene Gem** and **A Touch of Ruby**.

HENRIETTA DOWAGER DUCHESS OF BEDFORD

This week we put **60** seconds of curious questions to
Henrietta Dowager Duchess of Bedford

Henrietta was the breeder of two **Gr.1 Melbourne Cup** runners on Tuesday. Interestingly both **Au Revoir (IRE)** and **Precedence (NZ)** share star Bloomsbury foundation matron **Mrs Moss** as their 3rd dam. A Savabeel 3/4 sister to **Precedence** will be on offer through Waikato Stud's **NZB Premier Sale** consignment at Karaka in January.

Pedigree Pointers with...

GARETH DOWNEY

WHEN MY BABY SMILES AT ME I GO TO RIOS

The first Tuesday of November proved to be a very good day for the progeny of **Rios'** sire **Hussonet**, with a pick up of two stakes wins and a stakes placing on the day. The most interesting aspect from a pedigree analysis perspective is that all three of these stakes performers were out of mares by sons of **Danehill**.

Mahara picked up the 5th win of her 11 start career in winning the Gr. 3 Hong Kong Jockey Club Stakes at Flemington.

Hijack Hussy scored the 3rd win of her 7 start career when winning the Listed Lexus Hybrid Plate, again at Flemington

Hussy By Choice scored another stakes placing for her career when running 3rd in the Gr. 3 Colonel Reeves Stakes at Ascot in Perth

This pattern of combining **Hussonet** and **Danehill** together anywhere in a pedigree has been a very successful one, as the results are currently running at **8.4% SW/Rnrs**. Examples include the three sprinting **Gr. 1** winners **Eagle Falls, Reaan and Gold Trail**. And given that our son of **Hussonet**, **Rios**, does not carry **Danehill** in his own pedigree, he is a very good option to send a mare carrying **Danehill** to.

As **Rios** is still in the early stages of his career we refer to him as "our secret smokey". This is based on the quality of progeny he has left and because of the early racetrack

indications by his three runners to date.

Happy Place – Won so impressively at his 4th start that he subsequently sold for a sizeable six-figure sum to Hong Kong. He impressively won his latest trial there and now makes his Sha Tin debut this Sunday.

Likewise – After one start as a 2yo, she kicked off her 3yo campaign at Avondale on Wednesday with a nice performance for 3rd

Go By Rio – Has only had the one start in Australia so far

We continue to have very high hopes for **Rios**. So if your mare carries **Danehill**, or if you are simply looking for a stallion in a cheaper price bracket who looks like he has a lot of upside, then please feel free to contact me at gareth@waikatostud.co.nz or on **021433073**.

The Mail with... MARK CHITTICK

This week I thought I'd show you how the pro's do it - I'm sure you won't notice too much difference from my own weekly instalments!

But seriously, a big thanks to the **Kiwi Bred** crew, who put this great piece on **Rock N Pop** and his smart first crop foals together. Click on image below to view...
