STACKING THE ODDS

No Excuse Needed gelding **Timy Tyler** officially turned 5 on Saturday and gave his owner and trainer Kelvin Tyler the perfect celebration present by winning the **Gr. 3 Winter Cup** at Riccarton. **Timy Tyler** has continued to develop a race record that is both consistent and durable – typical of the progeny of **No Excuse Needed**. In **29** starts, he has now scored **5** wins and **11** placings – with this Group win being the first at stakes level, and suggesting there are more to come.

When we all make our breeding decisions, the key goal we are all aiming for is to stack the odds of success as much in our favour as possible. In analysing the pedigree of **Timy Tyler**, there are **3** key statistics that stand out:

1. **No Excuse Needed** has now produced 17 stakes winners and has achieved these from his Southern Hemisphere duties at the rate of 5.4% SW/Rnrs. Stallions who can achieve 5.4% SW/Rnrs and are available at a service fee of \$6,000 + GST represent excellent value
2. **No Excuse Needed** has continued to develop a very good record when mated with mares carrying Centaine in their pedigrees. **Timy Tyler** is the 5th stakes winner bred on this pattern; with **4** of these being Group winners – including **No Excuse Maggie, Take The Rap and Grand Dancer**. The most important figure here is that this pedigree pattern of No Excuse Needed over a mare carrying Centaine is running at an excellent strike rate of **10.4% SW/Rnrs**
3. **Pins** is the damsire of **Timy Tyler** and he is quickly developing himself as one of the very best broodmare sires. Daughters of **Pins** have already produced **17** stakes winners, and these have been produced at the rate of **6.9% SW/Rnrs**. Only the very elite broodmare sires can achieve this strike rate

If you would like to discuss how we can help you with your mating plans for 2015 to stack the odds of success as much in your favour as possible, please feel free to contact me via gareth@waikatos-tud.co.nz or on **021 433 073**

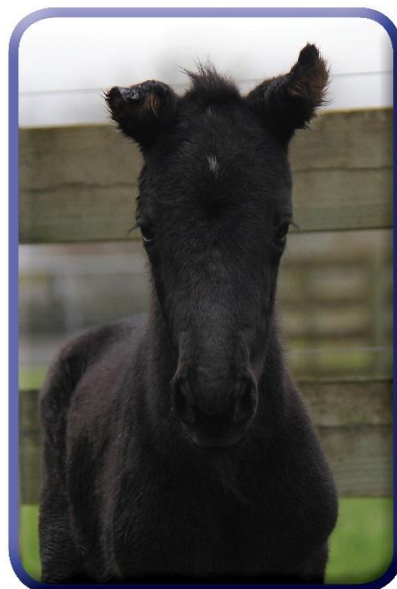

THE MAIL WITH MARK CHITTICK

A new season has begun and as always, we can't wait to get amongst it!

Last season's tally of **4 Gr.1** winners - which I am told is the most bred by any individual Australasian breeder - will be tough to beat, but we're up for the challenge, afterall we have done it twice before.

Last season was huge for the stud, beyond the **Gr.1** winners **Sacred Falls, Diademe, I Do and Costume**, WS bred **11** individual stakes winners and our stallions dominated New Zealand's **4** major sire awards, along with siring no less than **12** individual **Gr.1** winners.

With a view to the new season, things are well and truly underway in the Foaling department. Our first foal arrived on the 27th of July (see Savabeel colt ex Platinum Princess pictured right) and since this time we've safely welcomed three more into the world.

Lots to look forward to, so make sure you stay tuned to the newsletter in the months ahead.

Have a great weekend!

Mark.
