# Pedigree Pointers with...

## GARETH DOWNEY

### THE GIFTS THAT KEEP ON GIVING

This last week of racing has perfectly highlighted a number of tried and true pedigree patterns. It is always good to see these patterns constantly reinforcing themselves, and interesting to note that in just one week of racing, we can see so much evidence of successful crosses shining through.

**O'Reilly** – When combined anywhere in a pedigree with Sir Tristram has produced **10.5% SW/Rnrs** and a **Gr. 1** winner for every **46** runners. Examples have included **Silent Achiever, Shamexpress, The Jewel** and **O'Marilyn**. This week's example was **Merion** when scoring a courageous win in the **Listed Living Legends Stakes** at Flemington

**Savabeel** – When mated with **Pins** mares has produced **21.4 % SW/Rnrs** and **86% Wnrs/Rnrs**. The best example so far has been the **Gr. 1** winner **Brambles** who climbed his way above adversity to get back to the winners' circle at Flemington on Saturday with a very tough win

**Ocean Park** – When **Thorn Park** has been combined together anywhere in a pedigree with **Blushing Groom**, the results are running at **10.0% SW/Rnrs** and have included the dual Gr. 1 winning **Norzita**. This week's example was **Thorn Prince** running 2nd in the **Gr. 3 Merial Metric Mile**.

**Pins** – When mated with **O'Reilly** mares has produced **8.3% SW/Rnrs**. This week's example was the exciting debut win by the 2yo filly **Maritimo**

**Rock N Pop** – When **Fastnet Rock** has been combined anywhere with **Storm Cat**, the results have been **20.0% SW/Rnrs** and have included the Gr. 1 winners **Foxwedge** and **Irish Lights**. **Royal Ocean** became the latest stakes winner bred on this pattern when winning the **Listed Morphetville Guineas**

**No Excuse Needed** – When mated with **O'Reilly** mares has produced **10.6% SW/Rnrs**. From just 47 runners there have been the 2 Gr. 1 winners **Daffodil** and **I Do**. This week's example of the cross was **Room For Excuse** winning in Singapore, to now take his record to 2 wins and 6 placings from 10 starts, including a 3rd in the **Singapore-Gr. 2 3yo Classic**

**Rios** – When **Hussonet** has been mated with mares who are either by **Danehill** himself or are by a son of **Danehill**, the results have been **11.0% SW/Rnrs** and a **Gr. 1** winner for every 48 runners; being **Reaan, Eagle Falls** and **Gold Trail**. This week's winner bred on this pattern was **Magical Sunset** who scored his 4th win in Singapore

Successful pedigree patterns like these have been proven over time with numerous results just like last week's. If you would like to discuss your mare and the identification of successful pedigree patterns associated with her, please feel free to contact me on 021 433 073 or at [gareth@waikatostud.co.nz](mailto:gareth@waikatostud.co.nz)

# The Mail with... MARK CHITTICK

Right into it at the farm at the mo. As mentioned last week, the 16-day scans are now taking place and the boys [WS stallions] are flying.

It is so good to have a great team onboard, and I have to say our Veterinary side of things has been going just fantastic, thanks to the leadership of Chris Phillips and Vet locum Mark Buchert.

The stud is having a **Foal Walk** for the **Rock N Pop** and **Ocean Park** foals next Friday, but anybody wanting to see these foals at another time, just sing out - we are very proud to show them off! To tee this up, you can email Justine at [Justine@waikatostud.co.nz](mailto:Justine@waikatostud.co.nz).

Looking forward to tomorrow with the three outstanding WS-raced Gr.1 chances **I Do**, **Sacred Falls** and **Costume**. Gotta love these sort of weekends!
