NZTM FILMCREW

FOAL OF THE WEEK

-Savabeel x Illuminating colt -

Neil Werrett's **Postponed** mare **Illuminating** provided the stud with the last foal of the season when she produced this strapping **Savabeel** colt on Saturday night.

The colt is **Illuminating's** first foal and hails from the **Gr.1** winners **Croeso** and **Super May**.

Illuminating is booked to **Savabeel** in 2015.

WS BREEDING PHONE

021 433 251

In the weeks leading up to and including the Christmas/New Year's period, the Breeding Phone (021 433 251) will be the best mobile number to use to make contact/arrangements with the stud.

PEDIGREE POINTERS

-WITH GARETH DOWNEY-

Fashioning A Fine Record

The **O'Reilly** mare **Dublin Lass** (ex Fashion Police, by Elusive Quality) continues to build a very nice race record. From just **17** starts, she has posted seven wins and five 2nd placings. Her latest victory came in impressive style when taking out the **Listed Starlight Stakes** at Rosehill last weekend; with this being the **2nd** stakes victory of her career. Given this was just her **2nd** start in a new campaign, and with the manner in which she won, she certainly looks like she will continue to enhance this record even further.

The line in her pedigree that **O'Reilly** has had the greatest success with is that of her 3rd dam, with her being by **Grosvenor** – so perhaps this is proving to be a factor in her success. When **O'Reilly** and **Grosvenor** have been brought together anywhere on opposite sides of a pedigree, the results are running at a very good **10.4% SW/Rnrs** – as well as having produced a **Gr. 1** winner for every **53** runners. These **2 x Gr.1** winners to date are **The Jewel** and **Shamexpress**.

From a pedigree theory perspective, there are a number of familiar patterns achieved by combining **O'Reilly** and **Grosvenor**, with these including:

- Sex-balanced reinforcement of powerful male ancestors – in this case, these include such pillars of the modern breed as **Round Table, Princequillo, Hyperion, Royal Charger, Mahmoud** and **Pharamond II**
- Duplication of influential female ancestors – in this case, these include such wonderful mares as **Knight's Daughter, Nogara, Mumtaz Begum, Feola, Selene** and **Alcibiades**
- Reinforcement of **Lady Josephine** – This mare is probably the most influential female at work in modern day pedigrees, and combining **O'Reilly** and **Grosvenor** is certainly another example of that. **Grosvenor** himself carries 3 strains of **Lady Josephine** via her descendants **Badruddin, Mahmoud** and **Royal Charger**. **O'Reilly** brings in another strain of each of these **3** stallions and also adds in 3 strains of **Nasrullah** (who is a $\frac{3}{4}$ brother to Royal Charger). These 4 stallions are all from the **Mumtaz Mahal** branch of the Lady Josephine family, and **O'Reilly** also brings in 1 line of Fair Trial, who is from the **Lady Juror** branch of the family.

Interestingly, pretty much all of these positive theoretical pedigree factors are achieved via **Sir Tristram** – so that would suggest the results of combining **O'Reilly** and **Sir Tristram** anywhere in a pedigree could be expected to be equally strong. That is indeed the case with those results to date running at **9.3% SW/Rnrs** and a **Gr. 1** winner for every **45.6** runners – which are very strong statistics indeed for ancestors moving increasingly further back in pedigrees.

So, if you can look to combine **O'Reilly** and **Sir Tristram** together in a pedigree then you are following a genetic recipe that has proven very successful to date and is founded on a platform of theoretical pedigree appeal. The Gr.1 winning examples of this so far are **Silent Achiever, Shamexpress, Kirramosa, The Jewel, Diademe, Costume, O'Marilyn, Savaria** and **Irish Fling**.

The ways to achieve this would be to breed or buy a horse carrying any of the following pedigrees:

- By **O'Reilly** out of a mare carrying **Sir Tristram**
- By **Sacred Falls** out of a mare carrying **Sir Tristram**
- By **Savabeel** out of a mare carrying **O'Reilly**
- By **Ocean Park** out of a mare carrying **O'Reilly**

THE MAIL

-WITH MARK CHITTICK-

Wow – another foaling season done and dusted, this time with nearly **300** mares being foaled at the stud.

Whilst this department may have quietened down, things are moving into full swing in the yearling department.

It's an exciting time, as not only are we launching the first crop yearlings by the **5x Gr.1** winner **Ocean Park** but by **Fastnet Rock's** best bred **Gr.1** sire-son **Rock n Pop** also.

I've said it before and I'll say it again, you've just got to come and have a look at them!

M.
