PEDIGREE POINTERS

-WITH GARETH DOWNEY-

OCEAN OF BISCAI

As breeders are now in the process of deciding which stallion is going to give their mare the best possible chance of producing a top class racehorse when they make their mating decisions, it is timely to review what pedigree "nicks" appear to have worked successfully in the past.

In the case of our Cox Plate champion, Ocean Park, we can look to his sire Thorn Park to try and get an indication of what lines he has crossed best with throughout his career. One pattern that has been highlighted is that of adding another strain of Biscay to the one Thorn Park already carries himself through Bletchingly. Ocean Park himself does not carry an additional strain yet so it appears it could well be a good strategy to send mares to him who do carry Biscay.

The results to date when Thorn Park has been combined anywhere with Biscay on the opposite side in a 5-generation pedigree are running at an impressive 9.4% SW/Rnrs. Even more impressive is the fact that there has been a Gr.1 winner for every 28.3 runners carrying this pattern. The horses bred using this pattern have included the 5-time Gr.1 winner Jimmy Choux, the dual Gr.1 winner Norzita, and the Gr.1 Railway winner Ryan Mark.

9.4

% Stakes Winners
to Runners

So, if you have a mare carrying Biscay then sending her to Ocean Park appears to be an excellent option based on these results. Some of the more common sources of Biscay include Blazing Sword, Bletchingly, Brave Warrior, Broad Reach, Bureaucracy, Canny Lad, Charge Forward, Choisir, Cossack Warrior, Dieu D'Or, Greys Inn, Hurricane Sky, I Am Invincible, Kenny's Best Pal, Kingdom Bay, Lord Ballina, Maizcay, Marauding, Marscay, Otehi Bay, Paris Opera, Rave Report, Redoute's Choice, Show A Heart, Star Watch, Yachtie, Zephyr Bay and of course all the mares descending from a daughter of Biscay.

If you would like to discuss your mating plans and your pursuit of successful pedigree patterns, please feel free to contact me via either gareth@waikatostud.co.nz or 021 433 073

THE MAIL

–WITH MARK CHITTICK–

Monday’s NZB Weanling Sale provides enthusiasts once again with the very first chance to access the latest WS crop produced.

We have a few less this year, with the 15 weanlings and 9 broodmares on offer, but rest assured there are some good opportunities present.

It’s been a great week for our WS-raced gallopers. Novelty (O’Reilly) blew them away at Matamata for Stephen McKee and Eddie Chippendale and Whoop Whoop (Savabeel) staged a particularly exciting win for Mick Price at Cranbourne on Friday, suggesting he is well on track for a tilt at the Queensland Derby.

Congratulations to Peter Caporn for the back-to-back win registered by Pinzu (Pins) at Belmont this week. This horse carries an interesting story. He was purchased for \$330,000 at the 2014 NZB Premier Yearling Sale, but after a hiccup at two year’s of age, his connections were told he would never race.

Pinzu has now won three starts and has placed in every one of his four other starts for trainer Adam Durrant.

Hope to see you at Karaka!
