

WEEKEND @ WAIKATO

Come see us at NZB's National
WEANLING
BROODMARE
& Mixed Bloodstock Sale

NZB's National Weanling, Broodmare and Mixed Bloodstock Sale commences this Monday at 11am.

Waikato Stud's weanling consignment arrived at the complex today and will start parading Saturday morning at 9am. Our broodmare consignment, on the other hand, will commence parades at 9am on Monday.

We are very much looking forward to presenting the first weanling drafts by our **G1** distinguished sires **Rock N Pop** and **Ocean Park**. We are also rapt to hear of a number of our clients who are equally as excited to be presenting the progeny of these two sires.

Owing to its commitment to quality, **Curraghmore Stud** has been Leading Vendor at this sale for 9 consecutive years. In 2015, they will offer three **Rock N Pops** [see photos below of Lot 6, 83 and 330]

**LOT 6 - FILLY
ROCK N POP - KELTIC

**LOT 83 - COLT

**LOT 330 - COLT
ROCK N POP - HIGH FLYING
CURRAGHMORE STUD**

"I'm looking forward to offering our three Rock N Pop's at Karaka. They've got size with good natural strength and maturity. Combined with their temperaments and a strong hind leg, they look like fast horses to me and I wouldn't be surprised if they ran early," said Curraghmore Stud's Gordon Cunningham.

Whilst Curraghmore Stud is responsible for the first **Rock 'N' Pop** to go through the Karaka auditorium [Lot 6], it is **Lime Country Thoroughbreds** who will do the same honour for **Ocean Park**.

"Lot 53, a filly by Ocean Park out of Miss Jaydeejay will be a fabulous pinhook," said Lime Country's Jo Griffin.

"She is by a Cox Plate winner and is an early first foal from a winning sister to the Gr.1 Victorian Derby winner Kibbutz. She is bound to have appeal with Australian buyers."

OCEAN PARK

Sells First Weanling

Our 5x G1 winning Cox Plate hero **Ocean Park** had his very first weanling sell this week.

Offered at the Inglis Weanling Sale, his daughter ex Markisa caught the attention of Aquanita Racing, who bid to AUD\$80,000 to secure her.

Congrats to Aquanita Racing. We look forward to following her progress with you.

60 Seconds with...

Trelawney Stud's Managing Director
Brent Taylor

Favourite comfort food:	Roast Lamb
Do you have any nicknames and how did you come to get it:	Chippy - as a result of a bad haircut Corn Fed Rat - after a duck shooting incident
Best Horse(s) involved with:	Ocean Park is the best horse we've ever bred. His dam Sayydia was probably the most exciting racehorse, but it seems the longer she is retired, the better she gets.
Book on the bedside table:	Unbroken - by Laura Hillenbrand. A World War II story of survival, resilience, and redemption
If you weren't in the thoroughbred industry, you'd be a:	A hill country farmer or unemployable. I don't see myself working for anyone else - I don't really want to work for myself to be honest!
What do you do to relax:	Cook
Favourite TV show:	First Crossings and Top Gear
Who would you love to meet:	Keith Richards - I have a much greater respect for him after reading his book.
Favourite holiday destination:	A safari in Botswana
Favourite thing about Waikato Stud:	Numerous. Game Gully, the hospitality and the fantastic stallions.
How did you get involved with the thoroughbred industry:	Family interests. The family has always been involved in racing, but I'm the first to take up breeding as a profession.
Favourite Movie:	The Big Chill
Who were your childhood heroes:	Sid Going and Grant Batty. They were little fellas who could play Rugby. I thought I was half a chance.
Career Highlight:	The 2013 NZ Thoroughbred Racing Awards when Trelawney Stud collected the awards for 'Breeder of the Year' [having bred Ocean Park, Quintessential, War Affair & Famous Seamus] and 'Broodmare of the Year' [for Sayyida]. We were also distinguished at these awards as the breeder of Ocean Park, who was the 'NZ Horse of the Year'.
Best piece of good advice:	Happy wife, happy life.
If someone was going to play you in a movie, you'd like it to be:	George Clooney
Name 4 people you'd love to invite to a dinner party:	Keith Richards, Sebastian Loeb, Mark Chittick and Douglas Duncan.
Not many people would know that:	I am a frustrated rally car driver.

Pedigree Pointers with GARETH DOWNEY

SACRED CONNECTIONS

The progeny of **O'Reilly** have excelled of late. **War Affair** picked up his 4th Singapore **Gr. 1** win in the **Lion City Cup** in super impressive fashion. While he scored his **9th** black-type win, the same weekend saw **Bohemian Lily** open her black-type account by taking out the **Gold Coast Bracelet** at Listed level.

In winning her first black type race, **Bohemian Lily** became the **79th** stakes winner for **O'Reilly**. The pedigree pattern of **Bohemian Lily** is an interesting one because she is a full sister to the **Australian Champion 3yo filly** of her year in **Shamrock**, and is another example of the proven cross of **O'Reilly** over **Bluebird** line mares.

In another interesting connection, one of the part-owners of **Shamrock** was the same Raffles Racing Team who purchased and raced the 4-time Gr. 1 winner **Sacred Falls**. Now that **Sacred Falls** has come to the end of his stellar racing career, we look forward with great anticipation to the exciting breeding career he has ahead of him. Many people are now planning their matings and are looking to identify what lines should cross well with **Sacred Falls**.

One way of looking at this is to look at what has already proven to cross successfully with his pedigree background. With **Sacred Falls** being by **O'Reilly** out of a **Redoute's Choice** mare in **Iguazu's Girl**, I have been through the stallion records to date for both **O'Reilly** and **Redoute's Choice** to identify what broodmare sires they have crossed most successfully with as stallions themselves. There are **12** broodmare sires that BOTH **O'Reilly** and **Redoute's Choice** have crossed with to each produce at least **8% SW/Rnrs** on that cross. These **12** broodmare sires are as follow, and provide a good insight into what lines should be among those to cross successfully with **Sacred Falls**. If you have a mare carrying any of these **12** stallions anywhere in her pedigree then **Sacred Falls** warrants strong consideration for the upcoming breeding season:

Bluebird
Centaine
Citidancer
Grosvenor
Gulch
Octagonal
Royal Academy
Sir Tristram
Snippets
Star Way
Success Express
Zabeel

Please feel free to contact me at any time via gareth@waikatostud.co.nz or 021 433 073 to discuss your mating plans or your pursuit of successful pedigree patterns.

THE MAIL WITH MARK CHITTICK

With the large number of mares that Waikato Stud breeds from and simple logistics dictating that we can only prep so many, **NZB's National Weanling Sale** has come to represent an important first marketing opportunity for our latest WS crop produced.

Thanks to the ongoing honing of our broodmare band and our proven recipe of sire selection, the overall quality of these weanlings renders this a 'must see' draft.

Our weanlings, which include the very first crops by **Rock N Pop** and **Ocean Park**, will be sold on an unreserved basis, so by all means, do come along and see them when they start parading at 9 am tomorrow.

You will have noticed there was no **Weekend@Waikato** last Friday. The weather came to the party that day, so we grabbed the opportunity to get some drone footage of the stud. Thanks to Leigh Taylor and Moving Media's Geoff and Matt - it was a very productive day and we can't wait to see how it all comes together!

Due to popular demand, I will be bringing back my own GoPro footage next week. I was going to break it out with **Sacred Falls** today but the weather was too inclement.
