WAIKATO STUD ANNOUNCES SERVICE FEES FOR 2019

Waikato Stud has released the 2019 service fees for its internationally-renowned stallion roster.

The acclaimed stud has set this year's prices to meet the current market, ultimately making access to its stallions – considered some of the best in Australasia – more attainable for more people.

The announcement comes amid Waikato Stud celebrating one of its best seasons to date.

Stud principal Mark Chittick says: "The revision of our stallion fees for 2019 is partly market-driven, but a significant driving factor behind the decision is Waikato Stud's determination to offer breeders the opportunity to breed the best racehorses possible, at great value."

Champion sire Savabeel who heads the stud's stallion roster, will work from a closed book. The past season has been hugely successful for Savabeel – siring 18 individual stakes winners so far and achieving his highest-priced yearling at Karaka, sold for \$1.4 million.

He has now sired 18 individual Group One winners and has a current Stakes winners-to-runners strike rate of 10.8%. Savabeel's Group One winners this season include Shillelagh, Nicoletta and Savvy Coup.

Savabeel's yearling sale average over all Australasian yearling sales this year has been \$305,000 from 55 sold – his highest average ever reached.

"We are absolutely thrilled with Savabeel, who has had one of his most successful seasons to date," Chittick adds. "However, as he enters the twilight years of his stud career,

he will cover a lesser number of mares this season and we will be making a conscious effort to manage him carefully."

Emerging young sire Sacred Falls' 2019 service fee will be \$20,000 plus gst.

Sacred Falls' oldest crop have had a promising first season with a number of trial winners and trainers reporting positively about his progeny's temperament, athleticism and willingness to work.

He achieved outstanding sale results again this year, with his second crop of yearlings selling at an average price of \$107,250 and for up to \$380,000 at Karaka. Sacred Falls was the leading first-season sire at both the 2018 NZB

Karaka Yearling Sale and the NZB Ready to Run Sale.

The service fee for Group One winning sprinter/miler Tivaci remains unchanged for 2019, at \$20,000 plus gst.

Tivaci's first foals arrived last year and are beautifully balanced, correct and athletic types.

Since commencing stud duties, he has covered two excellent books of mares including a large number of Group One winners and producers. Breeders have reported that they are extremely happy with their first foals/weanlings by Tivaci and there is much anticipation about the positive and exciting future ahead for him.

www.waikatostud.com

"Tivaci produced an incredible crop of beautifully put together, athletic foals last year, and all indications are pointing towards Tivaci having a very exciting career as a stallion," Chittick says.

Young champion sire Ocean Park will stand for a fee of \$15,000 plus gst in 2019.

Ocean Park has had another outstanding season, now siring 84 winners and 10 Stakes performers, including Stakes winner Ocean Jewel and Group One placed gallopers Arrogant (Group 1 Rosehill Guineas), Rondinella (Group 1 Tancred Stakes and Group 1 NZ Stakes), Another Dollar (Group 1 QLD Oaks) and Mongolianconqueror (Group 1 NZ Derby).

The leading New Zealand based second-season sire in Australia last

season, Ocean Park has been proven to nick well with mares by Pins, O'Reilly, Danasinga and when put over mares by Danehill the cross has produced a Stakes winners-to-runners rate of 33%.

Waikato Stud has observed strong international demand for Ocean Park's progeny. His sales results remain compelling with his Book 1 yearlings selling for up to \$220,000 and at an average price of \$90,000 at Karaka this year.

"Ocean Park continues to impress us with his immense success and consistent results, particularly in Australia. We hope that the revision of his service fee makes Ocean Park more accessible for breeders," Chittick says.

Rock 'n' Pop's service fee will be set at \$7,000 plus gst in 2019.

Siring 29 winners and five Stakes

performers to date, in four countries across the globe, Rock 'n' Pop has a strong producing record from the mares he has covered.

His son Surely Sacred has enjoyed a highly successful racing season – winning the Group 2 Auckland Guineas and Group 2 Avondale Guineas and placing in the Group 1 Rosehill Guineas and Group 1 Australian Derby.

Chittick adds: "Waikato Stud is renowned for giving our stallions the highest quality of life on our farm, so they have every chance of success. We are looking forward to another busy breeding season and invite inspections at any stage."

BRUTAL DISPLAY FROM O'REILLY'S SON

www.waikatostud.com

The Matamata thoroughbred community celebrated another Group One victory on Saturday when Brutal took out the Doncaster Mile at Randwick.

BELOW / Brutal with co-owner Rupert Legh (left)
Photo Credit: Sharon Chapman

The three-year-old colt was bred by Auckland-based Anne Storey and her mother Ruth Kerr-Taylor and was born and raised at Mapperley Stud near Matamata, who sold him through their 2017 New Zealand Bloodstock Premier Yearling Sale draft to Hawkes Racing for \$220,000.

The Matamata connection runs further, with Brutal being by Waikato Stud's deceased champion stallion O'Reilly and his dam Alberton Princess is now owned by local horseman Gary Hennessy and his wife Jenny.

Brutal is from the last crop of O'Reilly and became his sire's fourteenth individual Group One winner with Saturday's result.

He is the fifth foal from stakes-placed mare Alberton Princess, who was

bred by Storey and her late father Evan Kerr-Taylor.

The family's involvement in racing began in the 1980's when Kerr-Taylor along with his brother Bruce and their sister Faye (Fletcher) purchased a filly for an interest to keep the family together. That filly was Alberton Lass, the grand-dam of Alberton Princess.

The three siblings were grandchildren of Allan Kerr-Taylor, who arrived in New Zealand from Scotland in 1849 and purchased a farm on the outskirts of Auckland on the lower slopes of Mount Albert.

Some years later he built a beautiful colonial mansion, Alberton, an Auckland landmark which is now a popular reception venue owned by the Historic Places Trust. So the family filly was named Alberton Lass carrying on the legacy of the original family farm name.

"Dad, Bruce and Faye put a lot of thought into the purchase of that filly and together over the years it really kept them together as a family and Alberton Lass and her progeny have provided a lot of enjoyment for them," Storey said.

When Storey and her mother decided to sell up their mares, Hennessy bought them to send to Ocean Park, who he trained to win five Group One races.

"I bought Alberton Princess and her three-quarter sister Lady Alberton at the Broodmare sale in 2016 to send to Ocean Park," he said.

"It's a great old family, it's the same family as Hi Jinx. It's a brilliant result and we have a lot to look forward to with these two lovely mares.

"Both mares produced colts to Ocean Park and we put the half-brother to Brutal through the sales but he wasn't quite correct.

"We have decided to leave him as a colt and he just needs to grow out and mature, we will race him ourselves.

"The colt out of Lady Alberton didn't reach his reserve, we have gelded him and we have nearly finished breaking him in. He is quite precocious and there is a good chance he will make a two-year-old."

While Hennessy has supported Ocean Park with the two mares, he is also looking forward to supporting

current stable star Ocean Emperor when he eventually heads to stud.

"Alberton Princess didn't get in-foal after her Ocean Park, so we sent her to Darley and she is now in-foal to the European Champion Miler Ribchester," Hennessy said.

"Lady Alberton produced an Ocean Park filly in the spring and she is empty this year. If we can find a stud to stand Ocean Emperor we will send her there." - **News from NZTBA**

SAVABEEL'S DAUGHTERS QUINELLA GROUP ONE

www.waikatostud.com

He provided six of the 11 runners with his daughters Nicoletta and Supera claiming the quinella for their sire.

"She's twice Group One-placed and is deserving of a Group One win so I'm glad she's got it," Nicoletta's co-trainer Andrew Forsman said.

"He timed it to perfection as I said just out-stay them as she won't beat them in a sprint home.

"He took it to them and she was just the toughest, fittest horse. They were coming at her late, but he got it right."

Forsman was pleased the mare had finally picked up some racing luck after things had not gone to plan in recent starts.

"She just hasn't had anything go right," he said. "She hasn't been going poorly and looked outstanding today.

"I said to Jake that she was hard-fit and ready to go so put her in the race and give her a chance

"She is good enough to beat these types of horses and she showed that today."

A \$90,000 purchase from Goodwood Stud's 2015 Karaka yearling draft, Nicoletta provided her sire with his 18th individual Group One winner.

She was purchased by agent Bruce Perry on behalf of high-profile owner Lib Petagna.

SAVABEEL'S SON STUNS AT SHA TIN

www.waikatostud.com

An outstanding weekend for Savabeel was crowned in Hong Kong on Sunday night with further stakes success.

The Richard Gibson-trained Rattan produced an upset when he triumphed in the Gr.2 Sprint Cup at Sha Tin.

Fourth in the Gr.1 Queen's Silver Jubilee Cup two runs back, the five-year-old raced in third spot to the turn.

He was under a ride from Chad Schofield at the top of the straight but responded gallantly.

Rattan finished determinedly to collar the heavily-favored duo of Beat The Clock and Mr Stunning.

He was originally purchased out of Mapperley Stud's Karaka draft for \$150,000 by Bruce Perry.

Rattan is a son of Grand Princess, also the dam of stakes winners Her Royal Highness and Captain's Command.

The third dam Grand Jette won the Gr.3 Taranaki 2YO Classic and was a Group One placegetter.

Waikato Stud graduates performed with distinction in the \$2 million Gr.1 Australian Derby at Randwick.

The Matamata farm's graduates Madison County and Surely Sacred finished second and third respectively.

For good measure, Savabeel's son The Chosen One came from last to take the fourth spot.

A son of Pins, Madison County was gallant in his chase for another top-flight title.

The Gr.1 NZ 2000 Guineas and Levin Classic hero closed gamely along the fence, but couldn't overhaul the front-runner Angel Of Truth.

Rock 'n' Pop's son Surely Sacred also turned in a meritorious effort and found the line strongly.

Bred and sold by Waikato Stud, Madison County was a \$36,000 purchase for the China Horse Club and Surely Sacred a \$160,000 buy for Raffles Racing.

SAVABEEL FILLY MAKES A SPLASH

www.waikatostud.com

Savabeel made his presence felt on the opening day of the Inglis Sydney Easter Yearling Sale at the Riverside Stables.

His daughter was put forward by Coolmore Stud and was the subject of spirited bidding.

The filly was finally won by Cambridge-based agent Dean Hawthorne who went to \$850,000 to secure her.

The filly is out of Love Triangle, an Encosta de Lago mare who won in New Zealand when trained by Jamie Richards.

Her pedigree page features Group One winner's Don Eduardo, Viking Ruler, and De Beers – a sample of the legendary Eight Carat family.

SACRED FALLS COLT THRIVING

www.waikatostud.com

A two-year-old with strong ties to Waikato Stud continues to make encouraging progress from the Sydney quarters of Bjorn Baker.

The Sacred Falls colt O'Mudgee finished runner-up in his first trial and then won a 900 metre heat at Rosehill yesterday.

Ridden by Jason Collett, the youngster sat on the speed and ran home nicely under his own steam to score.

O'Mudgee was bred by Waikato Stud vet Chris Phillips and was sold to Baker at Karaka for \$140,000.

He is a son of the More Than Ready mare Contented. She is the dam of multiple winner and stakes performer Jupiter Gold.

It is also the family of the former champion sprinter and seven-time Group 1 winner Takeover Target.

FILLY STRIKES AGAIN AT HAWKESBURY

www.waikatostud.com

On The White Turf successfully stepped up in distance at Hawkesbury to continue her winning run.

The filly had broken her maiden over 1400 metres at Kembla Grange and handled the rise to 1800 metres today with ease.

Trained by Richard Freedman, the Savabeel three-year-old is a daughter of Pins On Ice.

She was successful on three occasions and all four of her foals to race are winners.

Pins On Ice is a sister to the Gr.2

Avondale Guineas winner Icepin and a half-sister to the stakes winner Frozone.

It is the family of the multiple Group One winner Kinjite.

FILLY WINS WITH AUTHORITY

www.waikatostud.com

Waikato Stud's colours were to the fore at Pukekohe on Sunday with a richly-bred filly posting a stylish win.

Donna Imelda raced three back on the fence and rider Michael Coleman was desperately looking for an out in the straight.

It came 300 metres from home and the three-year-old lengthened stride for a decisive victory.

She is trained by Ken and Bev Kelso and Mark Donoghue and placed in one of her two spring outings before she was set aside.

Donna Imelda is by O'Reilly out of the Listed Oaklands Plate winner Donna Cattiva.

She is a sister to the Gr.1 Manawatu

Sires' Produce Stakes winner Il Quello Veloce.

It is also the family of the top-flight winners Tiger Tees, Terravista and the Karaka Million 3YO Classic winner Long Leaf.

SACRED CROIX MAKES IT FOUR IN A ROW

www.waikatostud.com

Progressive Savabeel gelding Sacred Croix showed no letting up in his current brilliant form after he brought up a fourth win in a row on Sunday.

Though rising in grade in the \$70,000 Goodman 2014 Stakes, a Class 3 race over 1600m after he last saluted in Class 4 company one month ago, the Savabeel four-year-old was just as lethal when he unleashed a solid acceleration inside the last 300m.

Well ridden by regular partner Benny Woodworth, Sacred Croix came off his smothered run in midfield to stake his claim shortly after straightening.

But the biggest move hailed from Sacred Croix as he stormed onto the scene at the 300m, steadily gaining the ascendancy before he put his rivals to the sword rather easily.

Winning trainer Mark Walker said the four-in-a-row was a feat seldom accomplished in Singapore and for Sacred Croix to do so as he rose through his grades was even more commendable.

"It's never easy for horses to win four in a row when they race here or in Hong Kong because the ratings go up so quickly," said the Kiwi mentor.

"He's a nice progressive horse who had a freshen-up. He will run on Kranji Mile day (May 25) and we may then look at the 4YO series for him.

STEWART ADDS TO TOOWOOMBA CUP COLLECTION

www.waikatostud.com

Jockey Brad Stewart produced one of his best rides to land his second Toowoomba Cup on Rock 'n' Pop gelding The Lord Mayor, 20 years after winning his first.

BELOW / The Lord Mayor
Photo Credit: Bradley Photos

Stewart won the Toowoomba Cup on Gene's Interest in 1999 and has ridden more than 1000 winners since but few have been better rides.

He got The Lord Mayor one off the fence behind the leaders and stalked them to the home turn.

In the straight, he won a slog with Kubis while Mishani Vaidra came from last to be third.

Stewart only picked up the ride when Ryan Maloney couldn't make the weight.

Champion trainer Chris Waller continued his domination of Queensland staying races with The Lord Mayor.

Waller's Queensland manager Paul Shailer said the trainer Waller had

sent The Lord Mayor north to chase the Brisbane Cup in June.

"This was an ideal race in which to start him in middle-distance races. He has run in Group One races and never been disgraced," Shailer said.

"His two runs from a spell have been good and I must pay tribute to Ryan (Maloney) for recommending we put blinkers on him.

"We threw plenty of ammo at today's race and we have a bit more to come," Shailer said.

Stewart said he had the run of the race but Kubis had refused to give in and The Lord Mayor had just been too strong.

The Lord Mayor is also raced by brothers Chas and Cam Stewart who also have top stayer Order Again.

Dale Smith said Kubis had tried his heart out and could win a good race.

"He led and just kept fighting," Smith said.

Josh Oliver said Mishani Vaidra has been forced to give away too much start.

BLACK TYPE SPOTLIGHT

RONDINELLA GROUP 1 SYDNEY CUP

Rondinella / By Ocean Park, from Valpolicella

The superstar daughter of Ocean Park was last seen powering home for a brave third in the Group 1 Tancred Stakes. Before that, she was third in the Group 1 New Zealand Stakes behind multiple Group One winner's Melody Belle and Danzandance and she was second in the Listed Kaimai Stakes at her previous outing. She has had no luck with suitable tracks, so she should enjoy the improved conditions at Randwick tomorrow. She has drawn favorably in barrier 1 and last start jockey Sam Clipperton has been booked to ride the Roger James / Robert Wellwood trained runner.

MISS VALENCIA LISTED WARSTEP STAKES

Miss Valencia / By Ocean Park, from Pastrana

The lightly raced daughter of Ocean Park ran a commendable fifth last weekend when she contested the Listed Airfreight Stakes on a bottomless heavy 10 track at Riccarton. The Jonno Benner and Holly Wynyard trained three-year-old has been finishing her races off well, suggesting the step up in distance should suit and if the inclement weather can hold off, she will find the track conditions much more to her liking. She has drawn well in barrier four and will be ridden by Samantha Wynne.

PRINCESS KERERU LISTED NZB FINANCE SPRINT

Princess Kereru / By Pins, from Fleur D'Amour

The in-form daughter of Pins has enjoyed a highly successful preparation. She was runner-up in the Group 1 Railway a few starts back and was recently seen in the winner's circle after taking out the Group 3 Waikato Stud Plate at Ellerslie on Derby day. She was highly competitive in the Listed Lightning Handicap last time out and will thoroughly enjoy the 1200m trip in tomorrow's Listed NZB Finance Stakes at Hastings. Trained by Ken and Bev Kelso and Mark Donoghue, she has drawn barrier 8 and Cameron Lammas will go aboard.

RESIDENTIAL LISTED CANTERBURY GOLD CUP

Residential / By Pins, from Metropolitan

The WS-owned daughter of Pins has been on fire of late, and won the Group 3 South Island Breeders' Stakes before securing a second placing in the Listed Easter Handicap last weekend on a heavy 10 track. The John and Karen Parsons-trained runner will be stepping up to 2000m for the first time in her career so the distance is a little unknown but from a good gate (3), jockey Lisa Allpress should be able to settle her in the run and ask her to produce her famous barnstorming finish.
