Savabeel's Group Treble

Savabeel recorded a treble of Group winners across Australasia last Saturday. He's now the sire of 141 individual stakes winners, including 33 Group 1 winners.

Savabeel's 33rd individual Group 1 winner was none other than 3YO filly **Orchestral** (ex **Symphonic**) who demolished the field in the **G1 NZ Derby** under Craig Grylls for Rob Wellwood and Roger James at Kingsclere Stables. She was bred by our good friends at Barneswood Farm and sold through Haunui Farm at the NZB National Yearling Sale for \$625k. Congratulations to her owners Colin and Helen Litt and everyone involved.

Atishu (ex **Posy**) was in a league of her own as she thumped her rivals in the **G2 Blamey Stakes** under Blake Shinn for Chris Waller and his team recording her fifth Group level win. She was a \$260k Karaka Yearling Sale purchase for the team at Go Racing from our draft. This win also berthed her a spot in the \$4 million All-Star Mile race with her start yet to be confirmed.

3YO filly **Certainly** (ex **Frankly**) was first on the board flying home in the **G3 Mufhasa Stakes** at Ellerslie with Opie Bosson onboard in the WS silks, recording her first Stakes win for Mark Walker, Sam Bergerson & the Te Akau team. What an exciting filly!

Look for the WS brand at Inglis Easter

Wrapping up the major Australasian yearling sales, we have three top lots heading to Riverside Stables in April for the Inglis Easter Yearling Sale, with our stallions well presented throughout the catalogue with a total of six Savabeels, one Ocean Park, one Ardrossan and three Super Seths.

Lot 71 - Super Seth x Hopscotch colt

A half-brother to G1 winner and 2020/2021 NZB Filly of the Year, Amarelinha, Lot 71 is out of the O'Reilly mare Hopscotch who is a half-sister to four-time Group 1 winner Metal Bender (Danasinga). Young sire North Pacific also features on this page amongst a deep black-type pedigree.

“Amarelinha’s three-year-old half-sister Knucklebones was a winner on debut at Mornington recently. Super Seth’s Linebacker won on debut for John O’Shea in February and Super Seth is

leaving fantastic types like himself. They are athletic, strong and have great brains. Super Seth has been supported by an incredible book of mares, year in and year out," Mark Chittick.

Lot 323 - Savabeel x Style By Design filly

Lot 323, is the third foal of stakes placed winner Style By Design (Iffraaj), who is a half- sister to Listed winner Riva Capri, and this season's stakes placed winner High Country. This filly's second dam is Listed winner Chaparella who won eight races.

"She is a big, strong, bold type. A hard one to offer at sale."

Lot 403 x Savabeel x Absolutely Me filly

Lot 403, is bred on the same Savabeel/O'Reilly cross as Amarelinha, and this filly comes from one of Waikato Stud's most successful families. Her dam, Absolutely Me, is a winning half-sister to dual-G1 winner Glamour Puss (Salinger Stakes and Goodwood Handicap), dual G1 winner Vision and Power (Doncaster Handicap and George Ryder Stakes), and is a full sister to both G2 winner Rare Insight, and Listed winner Escadaire.

On Account of Yulong Stud

Lot 432 - Ocean Park x Baggy Green filly

Lot 432, offered by Yulong Stud is an Ocean Park filly out of the phenomenal broodmare Baggy Green who has produced four foals, all to win, including this filly's full sister Tofane who is a four-time Group 1 winner and a half-sister in Group 1 winning gelding No Compromise who is also by Waikato Stud's late sire, Pins.

On Account of Elsdon Park

Lot 480 - Ardrossan x Daniela's Magic colt

Lot 480, offered by local farm Elsdon Park is the only Ardrossan colt at the sale. Out of Per Incanto (USA) mare Daniela's Magic, his page is littered with black-type including Group 2 winner Saracino who is a full brother to the dam. Sir Clive (Bigstone {IRE}) who was NZ Champion 3YO Stayer and Top of the NZ 3YO Free Handicap also features further down.

"It's exciting to see our young sires represented in a catalogue with such deep quality, like what is seen at this years Easter Sale, he (Ardrossan) certainly made his mark with Codigo and Beau Dazzler and we know there is more where that came from."
