I Wish I Win

I Wish I Win (Savabeel x Make A Wish) is set to start in the Toorak G1 Handicap this weekend at Caulfield. Mark is as excited as can be heading into this weekend's racing.

“Hugely exciting obviously, it's at a tough time of the year, we are pretty flat out so to get a massive buzz like that would put us all on fire.”

“As thoroughbred breeders, we are all trying to breed the best that we can breed and when you're a breeder you get what you're given. Unfortunately, we got a bit of a shock when we were given I Wish I Win, but we are all trying to succeed at the epitome of racing - which is winning a G1 race. So, to have the opportunity with a horse like I wish I win makes us feel incredibly honoured.”

"Right now on the farm it feels like we are half way through a World Cup final, it's tough and it's demanding. We require very dedicated team members at this time of the year. Jessica Greenfield and Ryan Figgins were voted in from the team here at WS to represent us at Caulfield tomorrow. Jess has been involved with I Wish I Win from conception, day one to early pre training and now she gets to watch him run. Ryan who runs the stallions at WS was holding Savabeel when I Wish I Win was conceived. So these two extremely valued members of our family & team certainly deserve the opportunity to enjoy this auspicious occasion. I really hope they get the opportunity to celebrate."

What's hot this week

Mating of the week

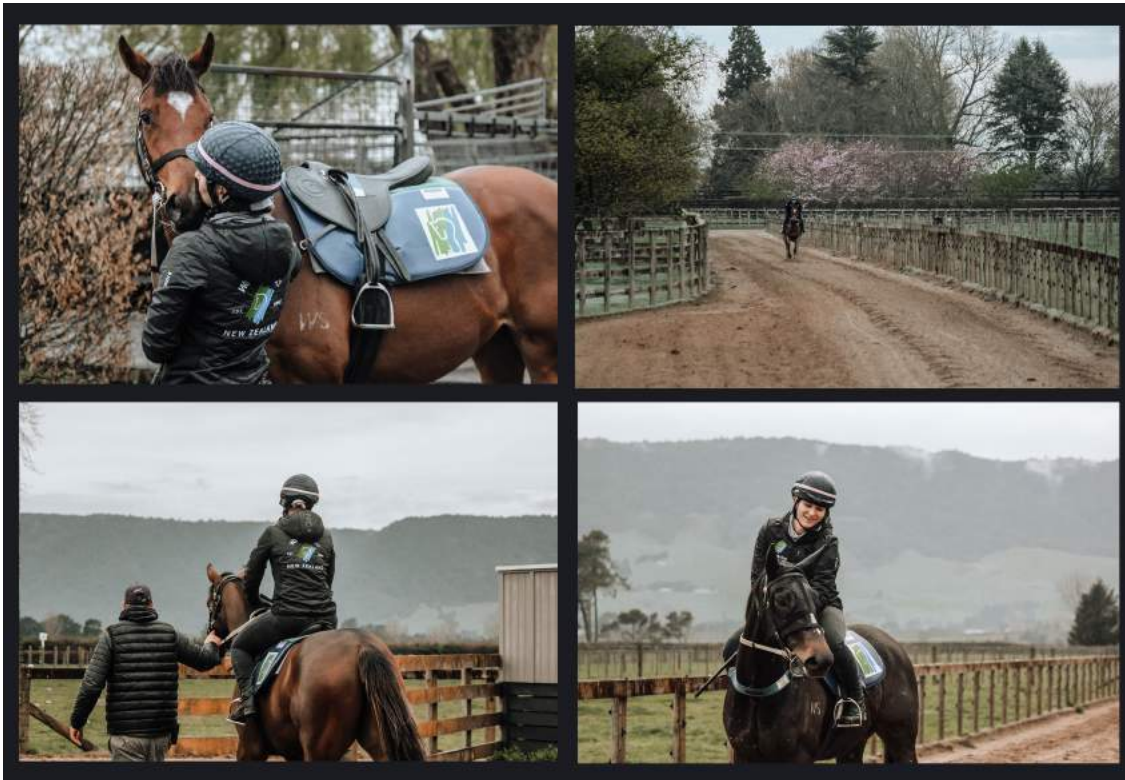

Bayrock (Fastnet Rock x Legally Bay) from Windsor Park Stud is a full sister to two-time G1-winner **Merchant Navy**. In 2018, Bayrock had a **Savabeel** colt which sold for \$875,000 at Karaka National Yearling Sale and then in 2020 another Savabeel filly sold for \$600,000 at Inglis Easter Yearling Sale.

She is Mark's favourite outside mare, who currently has a beautiful Savabeel at foot and was covered by the Champion Sire again yesterday.

Positive scan of the week

Chandelier (O'Reilly x Cenphic) has scanned positive and in foal to Savabeel. We think this is a great omen as her G1-winning son **Mo'unga** runs this Saturday in the G1 Might And Power Stakes!

All go at
Courtza Park

It's been all go here at our pre-training complex, Courtza Park. It's great to see these young horses getting on with their early education and they're very relaxed in such a beautiful setting.
